Practical Crystal Healing 555 Tips & Techniques

By Nicole Lanning

“A must have for any crystal healing practitioner.” - Kristen Michalak, *Reiki & Love*

“This is what every crystal practitioner needs of their own bookshelf. Tested, proven, and practical knowledge for every day common issues. The book is the real deal and the title says it all! Practical Crystal Healing is a must have!” – Barbara Hansen, *Crystal Healing Alliance*

“Easy to read and beautifully constructed. Bestseller in the holistic arenas.” – Cameron Welmens, *Body-Mind-Spirit-Improvement*

“We have our copy in our practitioner’s healing room right next to the crystals, so if we ever come across anything we can easily refer to it.” – Jackson Manfield, *Reiki Forever*

“Thought I knew a few things about crystal healing, but never seen the results I wanted as quickly as I have when using the ones described in the book. Results happen very quickly. The tips are right on!” – Catherine Augustino, *Crystal Releasement*

“Practical Crystal Healing, the seminar and online courses are all wonderful! Everything is explained in such a simplistic way that anyone can learn to heal themselves.” – Samantha Ambron, *Crystal Healing With Reiki*

“Wonderful source of information! I learned so much more about different crystals to use for different reasons. Now I have a handy guide so I can look up the different crystals for client sessions.” – Jennifer Kramer, *Crystal Rays Alliance*

“Amazing! It is exactly what I have wanted to know in crystal healing. Lots of other books give tons of pictures and not much useful information, and they all say pretty much the same thing. Practical Crystal Healing gets right to the point and love using it!” – Jason Webber, *Spiritual Healers Academy*
