Abandonment Clearing: This healing is to clear out any issues within the abandonment pattern of one's energy fields. All problem areas will be removed and all areas repaired along with positive love, releasement and clearing energies brought in to balance the energy flow.

Abundance Blockage Clearing: This healing works on clearing out any issues within the abundance energy flow in your life. This will repair any leakage points, removal any blockages or any other energy issues in this area and allow for positive energy flow for this pattern.

Abuse Trauma Healing: This healing will removal any problems within the abuse trauma areas of your energy fields, repair any damage and heal the energy flow. This will then create a positive releasement energy flow self care in your life.

Acceptance Healing: This healing will remove problems with self acceptance as well as how others see you in your life, heal all of the damage and allow for positive acceptance to come into this energy pattern for your energy flow.

Akashic Records Healing: This healing will work on any issues within the akashic records for past life, soul healing and oaths/vows. This does not close open past life portals (please see this healing below), as this healing work on just the akashic records energy flow for one's energy fields. This session is good for removing all problems within the akashic records itself.

Angelic Rebirthing Healing: This healing is a wonderful way to experience the rescripting of your birth. When working with a rebirthing process many people feel as if they have "come alive" once again and can experience this profound new reason in their life. A rescripting of the birthing process can realign the energy flow for your current lifetime to allow for more positive energy to flow from this moment.

Astral Cords Healing: This healing will remove all negative astral cords, repair or remove all damaged astral cords and enhance all positive astral cords within your energy fields. Astral cords can be to people, places, situations and energy flow issues within them.

Attachment Removal (Other): This healing will remove all "other" attachments within your energy fields. "Other" means additional attachments that are not lower level spiritual entities, spiritual parasites and psychic attachments. This means upper level entities, physical parasites, alien attachments, etc. This is a customized session which requires an energy scan prior to completing.

Attraction Opportunity Healing: This healing will work on the attraction opportunity pattern and energy flow for your energy fields dealing with attraction energy, opportunity energy and bringing these both into your life. All problem areas here will be removed and the energy flow enhanced.

Aura Attachments Removal: This healing will remove all aura attachments from your energy fields, correct their issues and repair them from what the attachments caused the areas they were attached to. This is not a full aura healing session, only an attachment removal session.

Aura Layers Healing (Main 7 Layers): This healing will work on all 7 main aura layers to remove problems, repair any damage and enhance each and every aura layer for their corresponding energy flow.

Belief Pattern Healing: This healing will work on the belief energy flow for your energy fields. This pattern is specific and connected in with your subconscious matrix and soul level for their energy to move smoothly.

Body Systems (Cardiovascular, Circulatory, Digestive, Endocrine, Integumentary, Lymphatic/Immune, Muscular, Nervous, Renal/Excretory, Reproductive, Respiratory, Skeletal, Urinary, All Connections): These individual healings are to work on each main body system for their energy flow. For example, the cardiovascular body system will work on issues for the cardiovascular energy flow, any blockages, barriers, energy anchors, etc. All problems will be removed from the body system you decide to have worked on the energy flow will be brought back to a positive energy circuit for the area. It is recommended to have all body systems done together if positive for an even balance of energy flow.

Cellular Pattern Healing: This healing will work on the cellular level to help release fear and negativity that have been built up from a physical or emotional trauma. This also helps clear any negativity caused by unconscious projections of people that are closest to you, also called energetic dumping, as well as any other problems for the cellular level.

Chakra Cellular Memory Healing: This healing will work on the chakra cellular memory to removal any impurities that have settled here and not within the main chakra points. Issues that reside within the chakra cellular memory can manifest in your life as overwhelmed emotional instabilities, cellular imprints residing within the chakra centers, energetic flow issues, grounding problems, blockages returning, etc.

Chakra Points Healing/Opening: This healing will work on all 7 main chakra points as well as all

minor chakra points to remove any problem areas, repair any damage and enhance all energy flow from the main chakra points and expanded out to all of the minor ones to balance for the energy flow.

Chakra Cords Healing: This healing will remove all negative chakra cords, repair or remove all damaged chakra cords and enhance all positive chakra cords within your energy fields. Chakra Cords can be created for any reason to the chakra points and expand out to your other energy patterns as well as people, places and situations.

Co-Dependency Clearing: This healing will remove all problems within the co-dependency pattern of your energy fields. It is about removing all of the old programming issues as well as any problem areas within these patterns to allow for a positive and free flowing energy pattern to move here so that you can take back control of your life.

Communication Connections Healing: This healing will work on all communication connections within your energy fields. We can have hundreds of these within our energy fields that deal just with our forms of communication. They can become damaged and negative, however they can be repaired and enhanced back for their energy flow.

Control Clearing: This healing will remove any problems within the control pattern on your energy fields for control issues you have towards your life and others. This is not the session to have if other's are controlling you or your energy, as this deals with attachments, cordings and energetic weaving patterns. The control clearing is for your energy fields and your control issues in life.

Cosmic Implants Removal Healing: This healing will remove all cosmic implants within one's energy fields. Cosmic implants cause the overall vibrational level for one's energy fields to be a bit slower as they hold back the energy flow and vibrational frequency. Once these are removed the energy flow returns to a balanced state for these areas.

Curse Pattern Removal: This healing will remove all curse patterns within your energy fields from other people, places, portals or past life issues. If these come in from previous lifetimes it is also recommended to have the open past life portals closed as well. After this is completed a basic protection is also done to help prevent new ones from being placed within one's energy fields.

Cycle Pattern Removal: This healing will remove one cycle pattern per session. Cycle patterns are a patterns that repeat over and over within your lifetime. These can be from this lifetime or previous lifetimes as well. Cycle patterns will continue to repeat until the pattern is removed or broken by the person. One cycle pattern is removed per session.

Dark Side Pattern Healing: This healing will remove the dark, or shadow, side as a part of ourselves that is less than light, positive, or even a negative side. Our dark/shadow side is what is blocking what we want to become in our true destiny. It can even at times persuade us to

continue in a negative behavior or fashion in certain areas even though we have made a conscious choice to be positive and full of light.

Death Clock Healing: This healing works on the termination/death clock pattern within our energy fields. All problem areas are cleared and all damage repaired. The termination/death clock pattern is then reset so you soul can choose when you wish to leave this current lifetime.

Demonic Attachments Removal: This healing is done by customized session only. It is recommended to speak with us prior and have a customized energy scan done prior to this session so we know exactly what issues you are dealing with and can give a proper estimate for you on session length and pricing.

Destiny Healing: This healing works on the destiny pattern within one's energy fields. This removes any problem areas, opens up the energy flow and allows for a positive destiny energy to unfold for you. This places you in control of this energy and power and allows for additional positive energy flow for the area.

Divine Source Connection Healing: This healing works on your own specific Divine Source connections. These supply us with the power and energy directly from the Divine Source. You may have one, two or more of them, as each person is different as are their connections to the Divine. It is up to us to keep them high and vibrant and use these connections to tap into the power, knowledge, wisdom, and energy that the Divine Source has to offer.

DNA Healing/Activation: This healing works on your DNA, RNA, and ENA (Emotional Level of DNA). This session includes releasing through genetic coding, patterns, and predispositions that are not aligned with the divine mind. For this session you will receive all three levels of healing work done in one healing session to give you the highest vibrational level for this area of your energy fields.

Emotional Armor Healing: This healing works on the emotional armor issues we have built up over our lifetimes. Each instance this happened another layer of armor was added to where we are now today looking back and not even being able to see our true emotional self underneath it all. All of this is removed, released, healing and balanced for the energy flow.

Emotional Balance Healing: This healing works on keeping our emotions in balance. Emotional instabilities can occur within your energy fields due to energy leakage, blockages, or stagnant energy. They can cause the energy to pool and spin out of control. This can affect your moods, mental clarity, emotional issues, spiritual problems, chakra issues, meridian blockages, aura stability, and much more.

Energetic Alignment Healing: This healing works on all seven levels of your energetic alignment. Imagine seven plates being stacked on top of each other and a pole going right down through them all. This is a perfect and balanced alignment. When things are not aligned, it is not about them being together with each other, but rather them being aligned on the pole plus with each

other, as this is a balance. The seven levels that will be worked on during this Energetic Alignment's session are: Emotional Body, Physical Body, Energetic Body, Relationship Energy, Environmental Influences, Work and Purpose, and Money and Material Well-being.

Energetic Borders/Boundaries Healing: This healing works on your energetic borders and boundaries. This is the outer most protection for your energy fields. These hold your programming to keep negative issues from attaching to your energy fields. However if they are at a lower vibrational level, have been damaged or attacked and not repaired this area can end up having rips, tears, holes, blockages, attachments and much more. This area is one of the most important parts of one's energy fields for protection.

Energetic Knots Removal: This healing works on removing all energetic knots within one's energy fields. Energetic knots are similar to having a knot in your muscles, but rather these are within your energy fields and energy patterns as well. This is something that many people can understand on the physical level, but the same is also felt on the energetic level with these types of knots within your energy fields.

Energetic Openings/Voided Areas Healing: This healing works on these empty spaces within your energy fields. Energetic openings and voids are open areas of empty space that is not being filled with energy. These can be caused by energy ripples within patterns, blockages holding back the energy flow, patterns now allowing the energy movement to fill an entire area, etc. These are not a positive or a negative area for one's energy flow, as they are neutral as they are simply an empty pocket within the pattern or field.

Energetic Overflow Clearing: This healing works on clearing out any energetic overflow issues within one's energy fields. These are found within one's energy patterns when their are large blockages or energetic barriers completely blocking the energy flow where this backs up and just starts pooling to the point of overflowing. These will be cleared and issues removed for free flowing energy.

Energetic Signature Healing: This healing works on your own specific energetic signature. Everyone in this world has an energetic signature, and each person's is unique for their own energy fields. Your energetic signature holds your energetic makeup information within this such as your name, location, sex, and so on. It is unique for each person based on their information that this holds. Similar to your own thumbprint, we all have a different one. On an energetic level this is what helps establish your own unique and individuality and also helps connect in with the Divine Source.

Energetic Weaving Pattern Removal: This healing works on removing any energetic weaving patterns within your energy fields from other people. Energetic weaving deals with the energy we have from interacting with others on a daily basis for some time, where we have not only established astral cords, but also start to have their energetic fields interweave within ours. Energetic weaving can be done subconsciously over time and having a lot of interaction with

them and also consciously and subconsciously done by others connecting into your energy fields to cause harm as well.

Environmental Connections Healing: This healing session works on all of the environmental connections within one's energy fields. For a typical middle aged person one can have thousands of environmental connections to work on. The negative and damaged ones are removed and the positive ones can be removed or enhanced for one's energy flow. You can also opt to have all of the environmental connections removed if you wish.

Etheric Blueprint Healing: This healing works on removing all issues and bring back your etheric blueprint to the original design you came into this lifetime with. This design holds all of the information for our etheric levels as to the design of what, where, how and when. This area is something we want to keep healthy and vibrant for the energy flow.

Family Grid Lines Healing: This healing works on the family grid lines that deals with family issues. These can be issues that run in the family as well as problems that the family is facing together. It can be anything from physical issues, emotional problems, mental strife and even spiritual disconnection.

Fear Clearing/Healing: This healing works on clearing out all fear based issues, blockages and problems from your deep fear pattern within your energy fields. All problem areas are healed and energy flow is then enhanced with fear releasement healing energies.

Financial Pattern Healing: This healing session deals strictly with financial issues and problems. These can be anything dealing with your finances. This session is often paired with the abundance blockage clearing, scarcity clearing and attraction opportunity healing.

Floater Removal Healing: This healing removes all floaters within your energy fields. These are all pockets of energetic debris or energy blockages that are moving along with the energy patterns. Some blockages can form from one's subconscious, others from people placing them there and others from energetic debris that has gathered.

Forgiveness Healing: This healing session works on removing all problems with forgiveness. Forgiveness of yourself and others as well. It removes all problem areas, repattern the energy flow and allows for releasements of new and re-occurring issues with forgiveness.

Four Lower Bodies Healing: This healing session works on all four lower bodies for the healing process. The four lower bodies include the etheric body, mental body, emotional body and physical body. These are all connected together to make up the energy flow for this area.

Grid Planes Healing: This healing works on all four grid planes that are closely connected in with the four lower bodies. These grid planes are the emotional grid plane, mental grid plane, physical grid plane and spiritual grid plane. This session is often paired with the four lower bodies healing to allow for a major balance and shift within one's energy.

Grieving Pattern Healing: This healing works on the grieving pattern within one's energy fields. This helps to remove and release all backed up issue of loss in one's life, as these can compound over time.

Guilt Pattern Healing: This healing works on the guilt pattern within one's energy fields. This pattern holds guilt issues not only from yourself, but from guilt other people place within your energy fields when someone tries to make you feel guilt about something. All problem areas are cleared and releasement energies are brought in to keep this area healthy.

Higher Self Connections Healing: This healing works on your higher self connections and allows for a complete merger of these areas. Everyone has a higher self and we all have these connections, however not everyone's are open and merged fully to be able to listen to higher self all of the time.

Home Energy Patterns/Connections Healing: This session works on your connections to your home environment. You establish connections to your home when you live in a place for an extended period of time. You can feel the energy flow, good or bad, and these connections need to be cleared and open to allow for positive energy movement.

Hot Spots/Vortex Points Removal Healing: This healing session removes all hot spots and vortex points from within your energy fields. Hot spots and vortex points carry the positive, negative or toxic energy flow that help when establishing connections, cordings, as well as draining in negative or toxic energy patterns. Negative and damaging ones should be removed to enhance energy flow.

Interdimensional Planes Healing: This healing works on the interdimensional planes for one's energy fields. We want to keep the connections here positive and no negative energy or issues coming in to one's energy fields from these areas. All negative and damaging issues will be removed.

Imprinted Layers (LEF) Healing: This healing works on the Luminous Energy Field (LEF). Your LEF is like an aura, which is an invisible matrix that holds the imprints of all of our karmic, personal and ancestral memories, traumas and wounds. It records every thought, word and deed directed at or generated by us with imprinted areas on our LEF and these can continue to build over time.

Incarnation Connections Healing: This healing works on removing all incarnation connections within your energy fields. These are created with every new past life re-incarnation that happens and they build up within the soul level over and over again until they are closed and removed.

Inner Child Pattern Healing: This healing works on the inner child pattern and issues that this is holding. All problem areas are cleared and positive energy flow enhanced for a complete

releasement for this area. Inner child issues of any degree can be worked on with this session.

Karma Pattern (Basic) Healing: This healing works on the basic karma pattern for one's energy fields. This deals with our current flow of karma energy for this lifetime and everything extends off of this pattern. This is the main karma pattern you need to keep healthy and the other connecting patterns to this are also suggested to be paired with this healing.

Karma Pattern (Family) Healing: This healing session works only on the family karma pattern within one's energy fields. This works through your own personal energy but then extends outward toward all family members for their family karma energy too!

Karmic Barriers Removal: This healing removes all karmic barriers within one's energy fields. Karmic barriers block the positive karma energy flow for one's energy fields. All are removed and dissipated back to the Universal Source energy. This allows for positive karma energy movement for your energy flow.

Karmic Cords Healing: This healing will remove all negative karmic cords, repair or remove all damaged karmic cords and enhance all positive karmic cords within your energy fields.

Karmic Implants Removal: This healing removes all karmic implants within one's energy fields. Karmic implants are implants within the karma levels that keep positive energy from flowing for them, All are removed and dissipated back to the Universal Source energy. This allows for positive karma energy movement for your energy flow.

Karmic Imprints Removal: This healing removes all karmic imprints within one's energy fields. Karmic imprints are like overlapping fingerprints on the energetic level for the karma energy flow. They hold down the vibrational level and energy movement. All are removed and dissipated back to the Universal Source energy. This allows for positive karma energy movement for your energy flow.

Karmic Matrix Healing: This healing works on the karmic matrix only. Your karmic matrix is an energy matrix that is located around your spinal area of your energetic field. This holds and builds upon the ancestral karmic patterns for the area. This holds and contains the genetic coding, old karmic patterns, attributes to your behavior patterns, as well as energetic problems that can be passed down through the karma energy flow here.

Karmic Vortex Point Removal Healing: This healing removes all karmic vortex points within one's energy fields. Karmic vortex points keep negative energy in the area and allow this to be a strong energy flow for the karma areas. All are removed and dissipated back to the Universal Source energy. This allows for positive karma energy movement for your energy flow.

Life/Full Spirit Activation Pattern Healing: This healing works on amplifying your personal connection to your higher self, healing stress, increasing your overall vibrational level and becoming infused with pure Divine Source light energy. The Full Spirit Healing and Activation

works on amplifying your connections to your soul level, increases your personal power and strengthens your overall energy bodies and their connections for all of your energy patterns and energy flow.

Light Bodies Ascension Healing: This healing helps with awareness, stronger connections with their higher self, spirit guides and the Divine Source, along with enlightenment, an inner knowing, and so much more. The Light Body Ascension works on all 12 stages: DNA Restructuring, Etheric Blueprints, Physical Body, Crystal Regulators, Mental Body, Intuition, Heart Energy & Removing Blocks, Divine Connection, Lightbody Blueprint, Source Consciousness, Spin Points and Divine Plan.

Love Meter Healing: This healing works on healing and resetting the love meter pattern of your energy fields. Your love meter is a part of your energy patterns that controls and holds the programming for the love flow in your life. By clearing your love meter this will remove all of the problem areas within this area of your energy fields, release all of the old lower vibrational programming here from your conscious and subconscious mind set, as well as reset this for a positive energy flow for your energy fields.

Love Pattern Healing: This healing works on the most basic love pattern within your energy fields. This is the pattern that connects into your love meter, as these sessions are often paired together with the self love healing session. This area holds the main energy flow for your love in your life.

Meridian Clearing/Healing: This healing works on clearing out all of your meridian lines and patterns and healing all damaged areas. Once this is completed all meridians are then enhanced with a positive energy flow for the vibrational level to increase back to 100%.

Negative/Positive Crystals Healing: This healing works on removing all negative crystals and activating all positive crystals within one's energy fields. Negative Crystals are placed prior to our incarnation, we as humans implanted protective crystals within our auric fields and layers. Positive crystals lie dormant within our energy fields, and when activated, they can bring about an inner knowing, an awareness, and overall wisdom along with a continuous positive healing source.

Negative Etheric Implants Removal: This healing removes all negative etheric implants within one's energy fields. These hold a lower past vibrational level for one's energy fields and when removed increase their energy flow and vibrational level as well as many releasements come to the surface with this session.

Negativity Patterns Removal: This healing is to remove all negativity patterns within one's energy fields. For any middle aged person we can have thousands of negativity patterns within our energy depending on our lifetime up until this point. To remove them all clears away a lot of negative energy that can be draining on our energy patterns.

Open Connections Healing: This healing works on removing negative open connections, repairing or removing damaged ones and enhancing positive open connections. Open connections are our main energy source, next to cordings, within our energy fields that shares energy between each other in any type of relationship that is developed. Open connections provide a lot of energy exchange, so this is one major area to check on if you are dealing with major issues with other people in your life. This is a comprehensive session and works on all levels.

Open Transference Points Healing: This healing removes all open transference points from within our energy fields. Open transference points feed into open areas with negative energy flow. These allow for the negative energy to replicate quickly and should be removed as soon as we know they are there.

Paradigm Patterns Removal Healing: This healing session works on removing all paradigm patterns within one's energy fields. A paradigm pattern is something that holds back the energy flow and the programming for an issue in one's life. Many people can have up to 100 of these within their energy fields over time and for physical, emotional, mental, spiritual, energetic, family, relationship and situational issues.

Parallel Existence Connections Healing: This healing works on removing negative and damaging parallel existence connections within one's energy fields. These are open connections to our parallel lifetimes and can allow negative energy flow to and from each of them when left open.

Parental Connections Healing: This healing works on one's parental connections within one's energy fields. These are established with a child, and even an adoptive child, in the family and they can increase. Negative and damaging connections are removed along with any problem areas and positive energy flow enhanced.

Past Life Cellular Memory Pattern Healing: This healing will work on the past life cellular memory to removal any impurities that have settled here and not within the past life portals. This area can be overflowing with issues if a person has a multiple negative past life portals open. This session is often paired with our other past life sessions to complete all areas here for a balanced energy flow.

Past Life Implants Removal: This healing will remove all past life implants within one's energy fields. These can cause a lot of backed up and negative energy to be held at the past life portals influencing one's current lifetime.

Past Life Karmic Imprints Removal: This healing removes all past life karmic imprints. This area can be holding a lot of issues that not only deal with your previous lifetimes but also your current karma energy flow. It is important to work on this issue and pair this with the past life sessions and karma sessions.

Past Life Portals Removal: This healing session works on closing one open negative or positive

past life portal per session. Typically many people only close their negative past life portals, however some who want a completely clear energy flow also close their open positive portals as well.

Portals (Additional) Removal: This healing works on closing any open portals within one's energy fields that are not from past life issues. One portal closure per session. These can be any type of portal from attachment portals, personal portals, home portals, etc.

Programming Patterns Removal Healing: This healing session removes all negative programming patterns and releasements associated with them from one's energy fields. For a middle aged person one can have thousands of negative programming patterns. Programming patterns are from a lower vibrational level that you have moved on from however they have not released.

Protection Pattern Healing: This healing works on the basic protection pattern of one's energy fields. It removes all problem areas, heals any open gaps, leakage points, tears and holes and re-patterns the energy flow. An enhancement is then done to keep this area high and vibrant.

Protection Healing (Advanced): This healing is a customized session Ms. Nicole Lanning created and uses on her own personal energy. It is a combination of multi-layered, interwoven and angelic protection energy for a high protective field against attacks, attachments, etc.

Psychic Attachments/Implants Removal: This healing works on removing any psychic attachments to one's energy fields. All of them will be removed and all problem areas from them repaired as well as a basic protection against them from attacking again. It is recommended to have a protection session done with this session.

Relationship Cords Healing: This healing will remove all negative relationship cords, repair or remove all damaged relationship cords and enhance all positive relationship cords within your energy fields. Relationship cords are any type of cording dealing with any kind of relationship (family, friends, co-workers, lovers, etc).

Resistance Clearing/Healing: This healing works on the main resistance pattern within one's energy fields to remove any problem areas. Releasing resistance will remove all of these issues from within at your soul level, spiritual level, and your energetic level in one session.

Scarcity Pattern Healing: This healing works on the main scarcity pattern within one's energy fields. This holds scarcity issues from programming, blockages to the abundance and financial pattern and can deal with problems with energy flow to the root chakra. This session is often paired with these additional ones for a strong balanced energy flow.

Seal Connections Healing: This healing works on all main seals for the seven main chakra points and aura layers. These seals help with energy leakage, blockages at them, and energy control and flow for the chakras and aura layers and the connections that they have. If your energetic

seals are not strong, are breaking or damaged or are leaking, you will feel a loss of energy, confusion, a draining feeling, and even weakness and a sense of overall tiredness going about your day to day routine.

Self Esteem/Self Confidence Healing: This healing works on self esteem and self confidence issues. Self-esteem and self confidence are something that we all need in every aspect of our life. All problem areas will be removed and energy pattern will be re-patterned and will be high and vibrant after this session.

Self Love Healing: This healing works on the self love pattern within one's energy fields. This pattern is for self love issues only and is often paired with love pattern healing, soul mate healing and love meter clearing. We need self love in our life first before we can love others!

Self Punishment Clearing/Healing: This healing works on any self punishment issues within one's energy fields. These will be removed, released and all damaged areas repaired. The energy flow will be returned to a positive high vibrational state.

Self Worth Healing: This healing works on the self worth pattern within one's energy fields. This is dealing with self worth issues and is often paired with self love healing, self esteem/confidence healing and self punishment healing to balance all four energy flow areas.

Seven Plane Level of Energetic Reality Healing: This healing works on all seven plane levels for the Physical (Dense), Physical (Etheric), Astral (Lower), Astral (Middle), Astral (Higher), Manasic (Lower), Manasic (Middle), Manasic (Higher), Buddhic, Atmic, Monadic and Logic. All problem areas are removed, all areas repaired and balanced for their energy flow.

Sexual Energy Healing: This healing works on the main sexual energy pattern. This removes any blockages or other problem areas for the person's energy. This pattern is connected in directly with the root chakra, so it is often suggested to check into the chakra healing session as well when having this one done.

Shadow Attachment Removal: This healing session removes any shadow attachments within one's energy fields. Shadow attachments are not as strong as spiritual entities and often attach to a person's energy fields to simply drain on their energy. These are common for people with a lot of open past life portal or open areas of their energy fields.

Silver Cord of Life Healing: This healing works on the silver cord of life. The silver cord of life is also known as the life thread, connection or linkage from the higher self down to the physical body. This is also described as the connection and cord that joins your physical body to your astral body. Your Silver Cord of Life is one that keeps your connections and energy flowing from your spiritual form down to your physical form.

Six Realms of Existence Healing: This healing works on all six realms of existence for the Devagati/Realm of Devas (Gods)/Heavenly Beings, Asura-gariy/Realm of Asura (Titans), Preta-

gati/Realm of Hungry Ghosts, Naraka-gati/Hell Realm, Tiryagyonigati/Animal Realm and Manusyagati/Human Realm. All problem areas are removed, all areas repaired and balanced for their energy flow.

Soul Cleansing (Basic) Healing: This healing is for your basic soul level. This will remove any problem areas here (blockages, energy anchors, etc) and get your basic soul level balanced and free flowing again. It is recommended to pair this healing with our soul contract removal, soul retrieval and soul matrix healing sessions.

Soul Contract Healing: This healing works on your past and current soul level contracts. One key symptom of needing a soul contract clearing are the feelings of obligation. Completed contracts can be fully released and ones that need to be completed we will help this process along and when they are completed a full releasement will be programmed here for them.

Soul Mate Healing: This healing is to work on your soul mate pattern and connections within your energy fields. We all have a soul mate out in this physical in one form or another, as it is just about finding them. Soul mates are created prior to entering this current lifetime. We were connected in the spiritual realm by an energetic connection but then separate when we entered this lifetime and the soul mates have been looking for their other half ever since.

Soul Matrix Healing: This healing works on the soul matrix portion of your energy fields. The soul matrix holds all of your information for this current lifetime for your soul level. This is where the main source of energy comes from for your energy fields and your soul. This is what moves on after your pass away as this is your soul matrix of who you are.

Soul Paradigm Pattern Removal Healing: This healing removes all previous soul paradigm issues. These can be anywhere within any part of your soul level, as we will remove all negative and damaging ones for this session. Once removed all areas are healed and enhanced for their positive energy flow.

Soul Retrieval/Fragment Healing: This healing works on repairing lost soul fragments back to the soul level. Soul Fragment Retrieval is the recovery of parts of the soul level of the person that he/she left or lost somewhere, separated due to trauma or abuse, or that were stolen or borrowed by somebody else. If you can imagine your soul as a jigsaw puzzle and the missing pieces are your lost soul fragments you can now understand the basic concept of a soul retrieval is to find and bring back those puzzle pieces.

Spell Pattern Removal: This healing will remove all spell patterns within your energy fields from other people, places, portals or past life issues. If these come in from previous lifetimes it is also recommended to have the open past life portals closed as well. After the session is completed you will also have a basic protection done to help prevent any new spells from being placed within your energy fields.

Spiritual Baggage Removal Healing: This healing is to remove all spiritual baggage intrusions

from within one's energy fields. Spiritual baggage intrusions are issues that do not belong to us, or blockages we have created in our spiritual energy by not addressing intense or overwhelming emotions. These can be from our own energy as well as one's we have taken on from others.

Spiritual Communication Connections Healing: This healing works on one's spiritual communication connections. These are direct open connections with the spiritual realm. These are also connected in with one's spiritual dimension pattern. To have both of these high and vibrant helps one communicate with the spiritual world.

Spiritual Dimension Healing: This healing works on repairing any issues within the spiritual dimension pattern. All problem areas are healed and repaired and the energy flow for the pattern enhanced. This session is often paired with the spiritual communication connection healing.

Spiritual Entity Attachment Removal: This healing session removes all lower level spiritual entities from within one's energy fields. This session is for lower level spiritual entities only. If you are dealing with upper level entities, demonic attachments, etc please see our other sessions for them.

Spiritual Parasite Removal Healing: This healing is to remove all spiritual parasites from within one's energy fields. These are parasites on an energetic and spiritual level that are attacking the body. Spiritual parasites do this on an energetic level as they were established during our physical creation and are responsible for poor health conditions in our physical bodies.

Subconscious/Conscious Alignment Healing: This healing works on aligning the subconscious and the conscious mind energy flow between the two. The connections are cleared and merged. Any problem areas are cleared and all levels are aligned and free flowing for a stronger mindset.

Subconscious Matrix Healing: This healing works on the subconscious matrix. The subconscious matrix can hold the programming, beliefs, negative/positive thinking patterns as well as any problem areas here for your subconscious mind. It is a matrix that is centered within the mental pattern of your energy fields that controls these areas.

Ten Bodies Healing: This healing is for the ten bodies of our energy fields. Ten Bodies healing is a very advanced healing that works on ten different body levels to bring about healing, awareness, enlightenment, and a very high and vibrant energetic flow to all 10 levels! The ten bodies included are: 1 Physical Body, 3 Mental Bodies (Negative Mind, Positive Mind and Neutral Mind) and 6 Energy Bodies (Soul Body, Arc Line, Auric Body, Pranic Body, Subtle Body and Radiant Body).

Third Ear Pattern Healing: This healing works on the third ear energy flow for one's energy fields. This removes any problem areas, repairs the damaged areas, enhances the energy flow, provides an energy boost and also activates and opens the third ear for spiritual connection and

hearing.

Third Eye Pattern Healing: This healing works on the third eye energy flow for one's energy fields. This removes any problem areas, repairs the damaged areas, enhances the energy flow, provides an energy boost and also activates and opens the third eye for spiritual connection and seeing.

Thirty One Planes Healing: This healing is for all 31 planes for all problem areas to be removed, all damaged repaired and all positive energy flow enhanced. The 31 Planes include each and every one of these existence planes for healing on the Physical Plane, Astral Plane, Casual Plane, Akashic Plane, Mental Plane, Messianic Plane, and Buddhaic Plane.

Three Sheath Layers Healing: This healing works on all three sheath layers to remove all problems and repair all damage. The outer sheath works for your energetic patterns of the physical format. The middle sheath works for your energetic patterns of your emotional format. The inner sheath works for your energetic patterns of your soul level format.

Toxic Energy Pattern Removal: This healing is to remove all toxic energy patterns within one's energy fields. For any middle aged person we can have hundreds to thousands of toxic patterns within our energy depending on our lifetime up until this point. To remove them all clears away a lot of harsh toxic energy that can be draining on our energy patterns.

True Soul Pattern Healing: This healing is to work on the true soul pattern. Your true soul level goes deeper within your soul pattern to the blueprint design for this area that holds all of the energy information for your soul here. This area can be cleared and repaired and brought back to the original design for free positive vibrant flowing energy.

Tunnels/Wormholes Removal Healing: This healing is to close and remove any tunnels or wormhole openings within one's energy fields. These are typically created by stronger entity attachments or can come in from open past life portals. These create a tremendous drain on one's energy fields.

Younger Self Pattern Healing: This healing is for your younger self. These are former versions of our energy fields that have separated due to an energy shift, trauma to our energy fields or emotional patterns and even mental shifts as well. Your younger self is essentially a younger part of you that is shifted here and is wanting to be rejoined within your energy fields for a complete pattern of energy flow.
